We can help make it an occasion to remember

The Cupcake Station has created a wonderful and unique way to entertain your friends, clients, and guests – a celebration of Cupcakes! Fresh-baked, homemade Cupcakes provide a delicious and memorable accompaniment to your special event.

Unlike commercially-produced bakery goods, all of our Cupcakes, Cakes, Cookies, Brownies and Desserts are made to order.

All of our Cupcakes are 100% baked from scratch. We use only the finest quality ingredients like farm fresh eggs and milk, the best quality flours and sugars, natural

flavorings, and our own freshly-made fillings and frostings.

Whether you are planning an intimate dinner party at home or a gala reception for a thousand guests, the Cupcake Station can create elegant and memorable desserts that reflect your personality and good taste.

In addition to providing the best our ovens offer, we can assist in planning the set-up, display, flowers and whatever is required to make your event stylish and unforgettable.

The Cupcake Station provides you with an experienced, dedicated team that can help you develop, plan and manage all the details of your special affair. Once we understand your needs and budget, our event coordinator will help make your event magical.
